TO WHOM IT MAY CONCERN

WESTLAKE UNITED CHURCH TRUST

For some years now, the Lewis Group has been involved with WUCT, supporting their Emmanuel Educare, Home Based Care, and general needs where required.

We acknowledge and support their holistic view in helping the local community in the many key areas, namely:

- Emmanuel Educare
- Home Based Care
- Social Development Fieldworkers
- HIV/AIDS support groups
- Community advice office and assistance
- Computer Literacy Training
- Senior citizens upliftment
- Crafts instruction

The Lewis Group believes that in offering support to communities where our employees and customers reside and work, is a vital component in providing us with the opportunity to give something back to these communities, thereby allowing us to align ourselves with our socio-economic development culture.

Westlake United Church Trust meets our expectations in every way, not only by allowing us to be a part of uplifting an extremely disadvantaged community in the most important areas of basic needs, but in doing this, we are assisted in meeting our BEE requirements as a JSE listed organisation. We have absolute faith and confidence in their organisation's management and disbursement of funds raised and received.

We confidently support their commitment and dedication to the community of Westlake and applaud the worthy work carried out by the team at Westlake United Church Trust, who make every attempt to uplift and enrich the lives of young and old alike.

Sincerely

Sharon Rohm
General Manager: Socio-Economic Development
