Annual Financial Statements for the year ended 31 December 2017

Trustees' Responsibilities and Approval

The trustees are required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the basis of accounting as set out in Note 1 to the financial statements. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with the basis of accounting as set out in Note 1 to the financial statements and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the trust and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the board of trustees sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and all employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

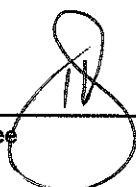

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the trust's cash flow forecast for the year to 31 December 2018 and, in the light of this review and the current financial position, They are satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently auditing and reporting on the trust's annual financial statements. The annual financial statements have been examined by the trust's external auditors and their report is presented on page 4.

The annual financial statements set out on pages 6 to 15, which have been prepared on the going concern basis, were approved by the board of trustees and were signed on its behalf by:

Independent Auditor's Report

To the trustees of Westlake United Church Trust

Opinion

We have audited the annual financial statements of Westlake United Church Trust set out on pages 7 to 15, which comprise the statement of financial position as at 31 December 2017, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, the annual financial statements present fairly, in all material respects, the financial position of Westlake United Church Trust as at 31 December 2017, and its financial performance and cash flows for the year then ended in accordance with basis of accounting as set out in Note 1 to the financial statements and the requirements of the Trust Property Control Act 57 of 1988 and the trust's Deed of Trust..

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the annual financial statements section of our report. We are independent of the trust in accordance with the Independent Regulatory Board for Auditors Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of annual financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The trustees are responsible for the other information. The other information comprises the Trustees' Report as required by the Trust Property Control Act 57 of 1988, which we obtained prior to the date of this report. Other information does not include the annual financial statements and our auditor's report thereon.

Our opinion on the annual financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the trustees for the Annual Financial Statements

The trustees are responsible for the preparation and fair presentation of the annual financial statements in accordance with basis of accounting as set out in Note 1 to the financial statements and the requirements of the Trust Property Control Act, and for such internal control as the trustees determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report

Auditor's responsibilities for the audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Westlake United Church Trust

(Registration number: IT 409/2002)

Annual Financial Statements for the year ended 31 December 2017

Trustees' Report

The trustees have pleasure in submitting their report on the annual financial statements of Westlake United Church Trust for the year ended 31 December 2017.

1. The trust

The trust is a non-profit organisation, which is dedicated to helping the poor in Westlake by providing community development programmes, home based care and community advice.

2. Review of financial results and activities

The annual financial statements have been prepared in accordance with basis of accounting as described in Note 1. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the trust are set out in these annual financial statements.

3. Trustees

The trustees in office at the date of this report are as follows:

Trustees

Ann Albrecht
Brian Fraser
David Barnes
David Gray
David Walsh
Harold Stemmet
James Spocter
Nkululeko Badini

There have been no changes to the trustees for the period under review.

4. Events after the reporting period

The trustees are not aware of any material event which occurred after the reporting date and up to the date of this report.

5. Going concern

The trustees believe that the trust has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The trustees have satisfied themselves that the trust is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The trustees are not aware of any new material changes that may adversely impact the trust. The trustees are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the trust.

6. Auditors

BDV Platinum continued in office as auditors for the trust for 2017.

They will continue in office for the 2018 financial year.

Westlake United Church Trust

(Registration number: IT 409/2002)

Annual Financial Statements for the year ended 31 December 2017

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on the historical cost basis and in accordance with generally accepted accounting practice applicable to trusts established in terms of the Trust Property Control Act 57 of 1988 and incorporate the following principal accounting policies. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

1.1 Property, plant and equipment

Property, plant and equipment is initially measured at cost and subsequently stated at cost less accumulated depreciation and any accumulated impairment losses, except for land which is stated at cost less any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the trust.

The useful lives of items of property, plant and equipment have been assessed as follows:

| Item | Depreciation method | Average useful life |
|--------------------|---------------------|---------------------|
| Motor vehicles | Straight line | 5 years |
| Computer equipment | Straight line | 3 years |
| Site equipment | Straight line | 5 years |

Land and buildings are not depreciated.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in surplus or deficit when the item is derecognised.

1.2 Accounts and other receivables

Accounts and other receivables are initially and subsequently measured at cost, less any appropriate provision for estimated irrecoverable amounts.

A provision is established for irrecoverable amounts when there is objective evidence that amounts due under the original payment terms will not be collected.

1.3 Cash and cash equivalents

Cash and cash equivalents include cash at bank and in hand and are initially and subsequently recorded at cost and are not revalued.

1.4 Accounts and other payables

Accounts and other payables are initially and subsequently measured at cost.

1.5 Deferred income

Deferred income is initially and subsequently measured at cost.

1.6 Tax

Tax expenses

The trust has been approved as a public benefit organisation in terms of section 30 of the Income Tax Act, and the receipts and accruals are exempt from income tax in terms of section 10(1)(cN) of the Income Tax Act.

Westlake United Church Trust

(Registration number: IT 409/2002)

Annual Financial Statements for the year ended 31 December 2017

Accounting Policies

1.7 Revenue

Revenue consists of donations, grants, lottery and other income and is recognised on receipt.

Interest is recognised, in surplus or deficit, using the effective interest rate method.

1.8 Expenses

Expenses represent all of the administration, operating and management expenses of the trust and are recognised on an accrual basis.
